*Testimony in Opposition to HB 1057, 1064, 5004 Early Voting bills*

Chairmen and Members of the Government Administration and Elections Committee,

I am Anne Manusky, 24 year Connecticut resident, wife, mother as well as former Licensed Professional Counselor, and current President of the CT Republican Assembly.

The CT Republican Assembly has members and friends totalling over 500 Republicans and conservatives across the eight counties of Connecticut who stand firm in our principles and unalienable Rights under the US Constitution, as well as the Rights and responsibilities within the Connecticut Constitution.

There is widespread concern in regard to the changes being made to our election laws, and the lack of defined law in the specifics as to "early voting"; at the current time, we have Absentee voting laws that fully allow for anyone to receive an absentee application and ballot due to a cold for one or another citizen.

There are too many unanswered questions as to specific time frame, and costs of "early voting"

These questions must be answered before any further steps in the process are made. Further work on specific details should be made before early voting goes into effect.

Vote

Sincerely,

Anne Manusky, M.Ed.  
President
